This form is available in Welsh for customers in Wales. If you wish to speak to us in Welsh please contact us on **0800 012 1888**.

## About this form

You may not get Employment and Support Allowance if you do not

- answer all the questions on the form that apply to you and your partner, if you have one, and
- send us the completed claim form and all the documents we ask for straight away.

If you are unable to do this, please tell us why in **Part 22 Other information**. Sometimes we may still be able to deal with your claim.

You should send your claim form back to us within **one month** of the date it was sent to you. If you do not, you may only get benefit from the date you give us all the information we need.

Please read the notes before you fill in this form. They will help you decide what to claim.

#### Notes

# What is Employment and Support Allowance?

Employment and Support Allowance is a social security benefit for people who have an illness or a disability.

You may be able to get Employment and Support Allowance if you have an illness or disability, and you

- $\bullet$  are unemployed,  $\boldsymbol{or}$
- $\bullet$  are self-employed,  $\boldsymbol{or}$
- work for an employer but you cannot get Statutory Sick Pay, or
- have been getting Statutory Sick Pay but it has now stopped.

Statutory Sick Pay is money employers pay to employees who are away from work for 4 days or more in a row because of their illness or disability.

#### Work capability assessments

We may ask you to take part in a work capability assessment. By 'work capability assessment' we mean

- filling in and returning a questionnaire, and
- going to a medical assessment.

We will contact you about this. If you do not fill in the form or take part in an assessment, we may stop your benefit.

#### Work focused interviews

We may ask you to go to work focused interviews that will help you get back into work. We will contact you about these. If you do not take part in these interviews, we may reduce your benefit.

# Contribution-based Employment and Support Allowance

You may get contribution-based Employment and Support Allowance if you have paid or been credited with enough class 1 or class 2 National Insurance contributions in the last three tax years.

Contribution-based Employment and Support Allowance is paid at a basic rate for the first 13 weeks. We will then pay your benefit at a rate based on your work capability assessment. We call the first 13 weeks that we pay your benefit your 'assessment phase'.

Sometimes you cannot get contribution-based Employment and Support Allowance based on your United Kingdom (UK) National Insurance contributions. But you may be able to get contribution-based Employment and Support Allowance if you have worked outside the UK.

We may reduce your contribution-based Employment and Support Allowance if you get

- other social security benefits
- a personal or occupational pension
- a public service pension.

Your savings will not affect your contribution-based Employment and Support Allowance.

# Income-related Employment and Support Allowance

You may get income-related Employment and Support Allowance if you do not have enough money coming in.

You can claim income-related Employment and Support Allowance for

- you and your partner
- some housing costs
- special needs. For example, if you or a member of your family have a disability.

We may reduce your income-related Employment and Support Allowance if you or anyone you are claiming for has

- savings over £6,000
- money coming in each week. For example
  - earnings from part-time work
- other social security benefits
- personal or occupational pensions.

#### If you are claiming for a partner

We may ask your partner to go for work focused interviews. If we need your partner to go for an interview, we will contact them after you have been getting income-related Employment and Support Allowance for 26 weeks or more.

If they do not take part in these interviews, it may affect your benefit.

We use 'partner' to mean

- a person you are married to or a person you live with as if you are married to them, or
- a civil partner or a person you live with as if you are civil partners.

#### Employment and Support Allowance in Youth

If you are aged between 16 and 25, sometimes you can claim Employment and Support Allowance even if you have not paid enough National Insurance contributions.

You may be able to claim Employment and Support Allowance in Youth if

- you are aged between 16 and 20, or
- you are aged between 21 and 25, and you were in education or training during the last three months before your 20th birthday, **and**
- you have been unable to work because of illness or disability for at least 28 weeks, and
- you normally live in Great Britain, and have lived in Great Britain for 26 weeks in the year before you claim.

If you do not normally live in Great Britain, or have not lived in Great Britain for 26 weeks in the year before you claim, but you are

- a serving member of HM Armed Forces
- an airman
- a mariner, or
- working on the continental shelf

you may still be able to claim Employment and Support Allowance in Youth.

Employment and Support Allowance in Youth is a flat rate benefit for the first 13 weeks. We will then pay your benefit at a rate based on your work capability assessment.

We may reduce your Employment and Support Allowance in Youth if you get

- other social security benefits
- a personal or occupational pension, or
- a public service pension.

Your savings will not affect your Employment and Support Allowance in Youth.

## **Child Tax Credit**

Employment and Support Allowance does not include money for children or qualifying young persons. But you can claim Child Tax Credit. To find out more about Child Tax Credit visit www.hmrc.gov.uk

You can claim Child Tax Credit online too.

You can also phone HM Revenue & Customs about Child Tax Credit on **0845 300 3900**. If you have speech or hearing difficulties you can contact them using a textphone on **0845 300 3909**.

Lines open 8am–8pm seven days a week except Christmas Day, Boxing Day and New Year's Day.

If you need help or a form in Welsh, please phone **0845 302 1489**. Lines are open 8.30am–5pm Monday to Friday.

We use 'child' to mean a person aged under 16 who you are getting Child Benefit for.

We use 'qualifying young person' to mean a person aged 16, 17, 18 or 19 who you are getting Child Benefit for.

## **Medical statements**

If you are getting Statutory Sick Pay, please send us your current medical statement with your claim.

'Medical statements' are also known as medical certificates, doctor's statements or sick notes.

If you are not entitled to Statutory Sick Pay, you do not normally need to get a medical statement for the first 7 days of your illness or disability. From the 8th day you will need to get a medical statement from your doctor and send it to us.

## Part 20 How we pay you

#### We normally pay your money into an account.

Many banks and building societies will let you collect your money at the post office.

We will tell you when we will make the first payment and how much it will be for. We will tell you if the amount we pay into the account is going to change.

#### Finding out how much we have paid into the account

You can check your payments on account statements. The statements may show your National Insurance (NI) number next to any payments we have made. If you think a payment is wrong, get in touch with the office that pays you straight away.

#### If we pay you too much money

We have the right to take back any money we pay that you are not entitled to. This may be because of the way the system works for payments into an account.

For example, you may give us some information, which means you are entitled to less money. Sometimes we may not be able to change the amount we have already paid you. This means we will have paid you money that you are not entitled to.

#### We will contact you before we take back any money.

## What to do now

- Tell us about the account you want to use on the next page. By giving us your account details you
  - agree that we will pay you into an account, and
  - understand what we have told you above in the section If we pay you too much money.
- If you are going to open an account, please tell us your account details as soon as you get them.
- If you do not have an account, please contact us and we will give you more information.

#### Fill in the rest of this form. You do not have to wait until you have opened an account or contacted us.

# About the account you want to use

- You can use someone else's account if
  - the terms and conditions of their account allow this, and
  - $\ -$  they agree to let you use their account, and
  - $\,-\,$  you are sure they will use your money in the way you tell them.
- You can use a **credit union account.** You must tell us the credit union's account details. Your credit union will be able to help you with this.
- If you are an **appointee** or a **legal representative** acting on behalf of the customer, the account should be in your name only.

#### Name of the account holder

Please write the name of the account holder exactly as it is shown on the chequebook or statement.

#### Full name of bank or building society

#### Sort code

#### Account number

Most account numbers are 8 numbers long. If your account number has fewer than 10 numbers, please fill in the numbers from the left.

#### Building society roll or reference number

If you are using a building society account you may need to tell us a roll or reference number. This may be made up of letters and numbers, and may be up to 18 characters long. If you are not sure if the account has a roll or reference number, ask the building society.

You may get other benefits and entitlements we do not pay into an account. If you want us to pay them into the account above, please tick this box.

Please tell us your account details below.

It is very important you fill in all the boxes correctly, including the building society roll or reference number, if you have one. If you tell us the wrong account details your payment may be delayed or you may lose money.

You can find the account details on your chequebook or bank statements. If you do not know the account details, ask the bank or building society.
